

TRANSFORM OUR COUNTRY'S EDUCATION WHILE EARNING UP TO 12 BBEE POINTS AND RECEIVING TAX RELIEF

The time to wait for someone else to address the educational gaps in South Africa is over. Act now and be part of the solution.

South Africa struggles with learner performance which directly influences the skills gaps in many disciplines and professions. Collaborate with the iSchoolAfrica Education Trust to address the education crisis in rural and peri-urban schools by choosing to:

1

INVEST

Invest in the iSchoolAfrica Numeracy programme for early learning.

2

INTRODUCE

Introduce learners to the 21st century learning skills needed to thrive in the 4th industrial revolution through the iSchoolAfrica Coding and Robotics programme.

3

EMPOWER

Empower disabled learners by providing suitable and accessible technology through the iSchoolAfrica Inclusion programme.
